SUBJECT : Pantobase Gear for Twin HELIO

REFERENCES : A. Proposal from HELIO AIRCRAFT CORP.
Subject: A Pantobase Alighting Gear for the HELIO Model 500 Airplane, dated 15 June 1959

B. Memo from Major [] to Major [] & Mr. []
Subject: Technical Critique on the report "A Pantobase Alighting Gear for the HELIO Model 500 Airplane, dated June 1959."

1. Confirming our conversation of 29 June, I recommend that the proposal by HELIO for a pantobase gear for the twin Helio be accepted.

2. I believe that the scale model should be built at once and tested and work on the actual airplane not start until favorable results are obtained from the scale model.

3. As stated in our conversation, I shall be happy to assist whenever you desire.
